OFFICE FINANCIAL POLICY

GENERAL

As a courtesy to our patients, we strive to be as flexible and helpful as we can concerning the payment of fees. In general, to reduce costs wherever possible and keep fees at minimum, we ask that fees be paid at the time of service. We gladly accept dental insurance and will assist in every way we can to assure maximum coverage. Although the responsibility for fees rests entirely with the patient, we will accept assignment of benefits. Our estimates of insurance deductibles and percentage of fees not covered are due when the service is rendered.

On large or extensive cases we require half of the total fee as a down payment to cover costs and lab fees incurred, with the balance due by the time treatment is completed. If you elect to pre-pay the total fee, a 10% reduction will be granted.

Accepted forms of payment include cash, check, Mastercard, Visa, and Discover Card.

Please feel free to ask if you have any questions, as we are always glad to help in any way we can.
